Encouraging participation in your local community

Home Valley successes

Another four young indigenous students have completed their TAFE certificates in association with their work on Home Valley Station.

James Kadibil, Denis Corpus and Michael Dolby completed Certificate II in Tourism and Robin Carey completed Certificate II in agriculture.

Home Valley also shared in winning the Kimberley

Group Training (KGT) Host Employer of the Year award for 2007 with the Argyle Diamond Mine.

KGT boss John Gummery and Shirley McPherson from the Indigenous Land Corporation (owners of the station) were on hand to make presentations.

Ian Trust represented the KGT Board.

An event was held at the station recently to celebrate

the success.

Singer/songwriter Peter Brandy now works for Home Valley Station as a mentor for indigenous trainees.

He performed from his repertoire at the presentations.

Peter is pleased with the way the program is headed in association with the station.
